

ROSICRUCIAN INVOCATION

God of my heart, God of my realization,
I know that You are at the origin of the universe,
nature, and humanity itself, but do not
know what You think and what You feel.

Since Your existence became plain to me, I have
been seeking to understand the laws by
which You manifest through the visible
and invisible planes of Creation.

Your light shines deep within me and
continually lights the way for my
consciousness on the path of Good.

Your life gives vitality to my body, and makes it
the temple that my soul has chosen to
bring its spiritual evolution to fruition.

Your love accounts for my existence, and wakens
in me the desire to love all people.

May You grant me the will to perfect myself in
thought, word, and deed, that I may
become an agent of Your wisdom in this world.

So Mote It Be!
